

# BARÃO<sup>DO</sup> HOSPITAL

## BARÃO DO HOSPITAL LOUREIRO 2021

DENOMINATION Vinho Verde DOC

TYPE White

GRAPE VARIETIES Loureiro 85%, Alvarinho 15%

REGION Vinhos Verdes

SOIL Granitic

HARVEST By hand in 15 Kg cases

VINIFICATION The grapes were cooled down to 5°C, followed by gentle destemming and skin maceration at low temperature for a few hours. After pressing, the must was clarified by decanting and fermented at a controlled temperature of 16°C, keeping the wine on fine lees for a long period of time.

ALCOHOL 12,5% vol.

TOTAL ACIDITY 7 g/l

RESIDUAL SUGARS <4 g/l

TASTING NOTES Citric color. High aromatic intensity with a variety of floral notes, aromas of citrus fruits such as lemon and lime. Long and intense aftertaste, with a marked freshness and minerality.

PAIRINGS Pairs perfectly with grilled fish, vegetarian food, sea food pasta and salad dishes or it can be simply be served as an aperitif.
